BRANT POINT GRILL at White Elephant Harborside Hotel

Affectionately called BPG by islanders and long-time vacationers, Brant Point Grill is the island's premier steak and seafood restaurant. The food is outstanding, but the view is the main attraction. The dry-aged steaks, lobster served several ways, the Raw Bar, and the signature Lobster Bloody Mary with 1/4 pound of lobster on a skewer are specialties you don't want to miss.

TOPPER'S at The Wauwinet

With fresh local cuisine, TOPPER'S is rated by the Zagat Survey as one of the best restaurants on island. Whether dining indoors in our sophisticated dining room or outside on the casual deck, the experience and view are far from ordinary. For 21 consecutive years, TOPPER'S has been the recipient of the highly coveted *Wine Spectator* Grand Award and the AAA Five Diamond Award.

TOPPER'S BY WATER

It's cool, casual and complimentary. Take the one-hour lunch or dinner cruise to TOPPER'S restaurant. Captain Rob navigates the short trip pointing out the beautiful scenery along the way. The Wauwinet Lady accommodates 21 people onboard. The cruise departs from the White Elephant dock.

WHITE ELEPHANT SPA

Looking out over the picturesque Nantucket Harbor, the Spa offers treatments infused with the region's natural elements. Guests can relax in the Serenity Room, with an iced tea, or step outside where comfortable chaise lounges overlook the harbor and gardens. White Elephant Spa's Signature Treatments include massage, facials and skincare.

BREAK TIME

weaving together
work and pleasure

When not meeting, there is no more effective way to team build than getting out and about Nantucket. For outdoor lovers, there are magnificent beaches, biking tours, golf outings, deep sea fishing excursions or even an off-road Jeep trip to explore Great Point.

For history buffs, there are century old lighthouses, museums and strolling through this historic town to discover perfectly preserved homes and buildings – over 800 in all!

With Nantucket's distinctive shopping, there is an endless array of charming boutiques, restaurants and galleries. With so much to see and do, it's easy to see why Nantucket is the place to meet.
